GUIDE

A CURATED GUIDE TO CHOOSING THE PERFECT LOCATION

CHOOSING THE RIGHT LOCATION

Before choosing a location, start with the feeling you want your photos to have. Soft and romantic? Clean and modern? Fun and casual? Every location has its own look, so we want to choose a spot that naturally supports the style you're drawn to.

Your outfits help tell that story too. The colors, textures, and overall style should feel like they belong in the space, so your photos feel natural and cohesive.
